

RDC/RC/ROC Minutes

June 19, 2007

The faculty is asked to identify topics for future presentations and submit them to Marc McGee.

SPA presentation by Nick Miller

Export Controls and Universities

Comments:

- Definitions regarding export controls were updated after September 11, 2001.
- In August a full time export control officer will be instituted.
- For more information see the Special Programs Administration Website's Export Control page.

Presentation by Neil Lewis

Facility Security Office

Comments:

- It is a good idea to let Neil Lewis know before traveling out of the country.
- Report suspicious information to Neil Lewis.
- Do not take sensitive information overseas.
- Get your computer scanned when you return from an international trip before connecting to the MSU system.

* If interested in presenting a version of the presentations to a specific group, contact:
