Informal Non-Credit Supplement to RCR and Online Credit Classes

Once the participant (student and/or faculty) has received RCR certification or successfully completed/passed the MSU online academic course, they must also attend six one-hour face-to-face sessions/discussions of ethical issues associated with one of the nine core competencies recognized by the Public Health Service (PHS) Policy on Instruction in the Responsible Conduct of Research. These sessions will be facilitated by ethics professionals at MSU.

1. Protection and Use of Human Subjects in Research (IRB)
2. Conflict of Interest in University Research
3. Data Acquisition, Management, Sharing, and Ownership
4. Animal Care and Use in Research (IACUC)
5. Research Misconduct
6. Publication Practices and Responsible Authorship
7. Mentoring/Trainee Responsibilities
8. Peer Review
9. Collaborative Research

Thursday, March 20, 2014
3:00 – 4:00 p.m.
Bost Theater

Notification of the dates, times, and locations will be sent via a mass e-mail two weeks in advance of each session from the Office of the VP for Research and Economic Development.

Noncompliance with this rule or failure of a course or the on-line program more than twice will constitute removal from federal funding that contains a responsible conduct in research requirement. Participants may appeal re-appointment to such federal funding if and only if they pass a course or the on-line program at a future date.
