**GENERAL COMMENTS:**

**Please use the following scoring system based on the descriptions associated with each score.**

**Score of 4 – Excellent:** There are major strengths contained in the response to the criteria. This rating applies to a response that can be overall characterized as very likely to lead to the development of a high quality proposal.

**Score of 3 - Good:** Strengths outweigh weaknesses. This rating applies to a response that contains a number of strengths. There are weaknesses but, neither singly nor collectively, are they likely to adversely impact the development and operation of a high quality proposal.

**Score of 2 – Fair:** Some important weaknesses. This rating applies to a response that contains some strengths, but the weaknesses are likely to adversely impact the development and operation of a high quality proposal.

**Score of 1 – Inadequate/Unsatisfactory:** Major weaknesses outweigh any strengths. This rating applies to a response that contains a number of weaknesses that are likely to adversely impact the development and operation of a high quality proposal.
