
Research Seminar Series

October, 2007
The Five W’s

- **Who** do we serve?
- **What** do we do?
- **When** should you call?
- **Where** can you go?
- **Why** are we needed?
Who?

• Researchers
  – Faculty
  – Students

• Project personnel
  – Technicians
  – Student workers

• Subjects
  – Humans
  – Animals
What does Regulatory Compliance do?
Training
Facility Review
Lab Certifications
Calibrate Survey Meters
Hazardous Waste Disposal
Film Badges
Committee Support
Leak Tests
Protocol Review
• Animal Handlers
• Occupational Health and Safety Program
• Chemical Safety in the Laboratory
• Protection of Human Subjects
• Hazardous Waste
• Radioactive Materials
• Bloodborne Pathogen
• Annual committee retreats
When?

- Anytime you need assistance.
- As early as possible.
- With any question.
- If in doubt, ask.
Where?
## ORC: Researcher Database

</table>
Why?

• Perception of research is shaped by the way research is conducted
Why IRB?

- 1946 Nuremberg Military Tribunal
- 1960’s Thalidomide Tragedy
- 1972 Tuskegee Syphilis Study Expose
Why IACUC?
Why Lab Safety?

• 1995 – grad student contaminated by I-125
• March, 2006 – explosion in student lab
• Fall, 2006 – student worker burned by HCl
• Spring, 2007 – custodian punctured by needle
Quiz

What’s wrong with this picture????
The Five W’s

• Who?
• You.
• What?
• Regulatory Compliance can assist you.
• When?
• Whenever you are in doubt.
• Where?
• Call, come by, email or check our website.
• Why?
• We have a moral obligation.
Questions?

Suggestions, Comments, Concerns……
